PUBLIC LANDS.

What the Report of the Commissioner of the Land Office Will Show.

The forthcoming annual report of the Commissioner of the General Land Office will show that during the year ending June 30, 1888, there were made 58,095 cash land entries of all classes, aggregating 5,907,254 acres, for which the Government received \$11,203,671. Of these cash entries 8,318 sales of lands subject to private entry, 314 were sales of mineral lands, 14,209 were committed homestead entries, 2,355 were original and final entries under the Desert Land Act and 152 were sales of coal lands. The sales of timber and stone lands aggregate 2,420 entries, nearly all of which were made in California. The report will show that the whole number of entries of all classes, including Italian lands, made during the year was 255,12, embracing 21,435,833 acres. The total receipts from the foregoing were \$13,522,185.

Of the whole number of entries 46,236 were original homesteads, embracing 3,175,400 acres, and 24,472 were lumber culture entries, having in all an area of 3,733,305 acres. During the year land grant railroads made 40,786 selections, embracing 6,525,300 acres. Under the school, swamp-land and other grants by the Government to the several States and Territories, 8,920 selections were made, covering an area of 1,263,452 acres. In addition to this 24,465,333 acres entered under the various public land laws during the year, the area of committed homesteads, final desert entries, final homestead and final timber-culture entries aggregated 5,847,548 acres.

Knowing that Frank P. Sargent, Grand Master of the Brotherhood of Locomotive Firemen, was a member of the Columbia Club, a Republican campaign organization, he was asked if he would consent to an interview on the political situation.

"No sir," said he. "I am at the head of an organization in which there are men of different political parties, and I do not think it would be proper for me to talk politics. I am a Republican to the backbone. As an individual I am satisfied that I can conscientiously vote for Gen. Harrison, and I shall do so."

"Can you be quoted that much?"

"Yes, you can report me in what I have said."

There are blue looks at the Democratic National headquarters over the reports of agents sent to poll the State of Indiana. The poll exhibited increased Harrison gains. At the same time a canvass of New York showed the State would go Republican on the National ticket. A barrel is wanted for the head of the ticket, which may mean Roswell P. Flower for Governor. To top all this, hints come from Thurman that money spent by Democrats in the Northwestern States is simply wasted, as the West and Northwest will give big Republican majorities. Thurman is reported as narrowing the contest down to New York alone.

A Democratic canvass of New York and Indiana is reported to show that the Republicans will carry both States. It is also said that Democratic advisers from Northwestern States give them to the Republicans. When such reports are given out from Democratic sources, it is time for Republicans to get in their best work. It is a race to null Republican activity while Democracy goes on a still-hunt.

James Stevens was a poor man, and one of the original settlers of Portland, Or. He pre-empted 200 acres of land in what is now the heart of that town, and, dying recently, he leaves to heirs who had forgotten him, an estate worth hundreds of thousands of dollars.

Candidate Balva Lockwood says that she can do housework as well as any woman, but she prefers the practice of law, which never brings her less than \$3,000 a year.

THE WATER QUESTION.

The Lyon County Times remarks:

Never in the history of Nevada has there been such a dry season as the present one. Water is short in every river in the State, and in many of the valleys stockmen have to sink wells to procure water enough for stock. The water question is, therefore, becoming one of importance, and any method suggested by which more water can be obtained is eagerly read by every rancher in the State. Senator Stewart has an appropriation bill under way to survey and find the best places in the country between the Rockies and the Sierras for storing water, and many individuals are going to work privately on the water question. As before stated in this paper, we believe there are many places in the rivers of the State where reservoirs could be built at a moderate expense, that would save the water that goes to waste and make many more valuable ranches in the State. There is a question whether the State or Government should be the proper ones to take hold of the enterprise, but it would be a good idea for both to do something towards the work. There are rivers that run through the State that head outside of the State, but there could be no objection made by any outsiders to what work in the way of reservoir building should be done in this State. We believe that it is the duty of the State to look after the water question so far as she has power, and have in our mind one or two places where water could be stored that would irrigate considerable new country and give settlers a chance to come in and find and make comfortable homes. One of these places is on the Carson river and another is near the head of the West Walker river. In the latter there is a splendid reservoir site in the canyon above where the river enters Smiths Valley. Enough could be stored by building a reservoir at this point to give all the ranchers in the valley water the year around and also irrigate eight or ten good-sized new ranches. The land is there and all that is now required to make more prosperous homes is water. The same may be said in regard to storage of water on the Carson river. There may be an argument raised as to appropriating money for the benefit of one section of country, but we hold that appropriations are made for the benefit of the most number of people. If it can be shown that an appropriation could be used to greater benefit on other rivers than the ones named the work should be done there. We believe that it is only a matter of time when all our rivers will be dammed to keep the waste water that now runs off every Fall and Spring, and if one appropriation can be made for this purpose, and it is shown that it will be a benefit and source of revenue to the State in that it will so greatly increase the taxable property, other appropriations will certainly be made for such work, and it will not be long before the people of the State will all be in a prosperous condition and not growl about the taxes being high and their being robbed to make appropriations for water purposes.

THE FLOWER OF THE BUCKEYE ARMY.

It Will Be Found in November Under the Republican Standard.

Hiram Washburn, a lifelong Democrat of Jamestown, O., has declared himself for Harrison.

Dean Wilson, of Buffalo, who has been a Democratic Ward Supervisor, declares for Harrison.

Mr. E. C. Robins, of Buffalo, law partner of Asher P. Nichols, formerly Controller of the State, is a Democrat who prefers Harrison to Cleveland.

Two Democratic clubs in San Francisco, have been broken up by the prevalent desire on the part of members to join Harrison and Morton organizations.

O. B. Selfridge, a prominent manufacturer of Lima, O., who has always been active in the councils of the Democratic party, will vote for Harrison and Morton in November.

Henry N. Lewis, a rich banker of Wellsville, N. Y., for six years one of the leaders of the Prohibition party, will vote the Republican ticket. He says: "I can find no better men or principles to vote for."

J. A. McCourtney, a leading manufacturer of West Virginia, declares that he cannot stand Democratic free trade doctrines and that hereafter he votes with the Republicans. Mr. McCourtney has been a Democrat all his life.

Thomas W. Ahl, of Carlisle, Pa., General Manager and one of the owners of large iron works, has publicly announced that he will support Harrison and Morton in this campaign. He has been a prominent Democrat all his life.

Col. R. P. Scannel, of Boston, has dropped a bomb among his old friends in the shape of a letter resigning his membership of the Democratic State and City Committees. He believes in protection and will vote the Republican ticket.

J. P. Donnelly, a prominent Irish Democrat of London, O., who ran for Constable on the Democratic ticket last Spring, has resigned as a member of the Carlisle Democratic Club of Madison County and will vote for Harrison. He is in favor of a high tariff.

H. H. Shumaker, of Lancaster, O., who has been for two terms the Democratic Sheriff of the county, and his four sons have come out for Harrison, Morton, and protection. Many other Democrats and Prohibitionists who do not care for newspaper prominence have undergone the same change.

Gen. Beauregard has gone to Europe. The Louisiana Lottery Company keeps on selling tickets which draw no prizes all the same.

THROUGH NEVADA.

On the Wing from Wadsworth to Winnemucca.

"F. B. L." writes the San Francisco Rural Press the following:

Editors Press: The town of Wadsworth, located on the Truckee river, 35 miles east of Reno, derives its chief importance as the headquarters of the Truckee division of the O. P. R. R. At this point are located the repair shops and round-house. The company employs over 400 men. The Engineers' and Mechanics' Library, established here in 1881, is a notable feature of the place. Mr. George Gregg is credited as the originator of the library, which now contains 2,375 volumes. The chief officers are J. R. Forest (President) and J. W. Smith (Secretary). The Brotherhood of Locomotive Engineers and Locomotive Firemen number fifty members.

Wadsworth is also important as the shipping point of trout obtained from Pyramid and Mud lakes, some 20 miles north. Traffic amounts to nearly 100 tons yearly. The fishing in the former lake is confined to the Piute Indians, who claim the exclusive privilege, the waters being within the bounds of their reservation, while the whites fish in Mud lake. The varieties of fish are known as the salmon, silver, and tanagui trout, succeeding each other in the order named.

There are located along the Truckee river at this place a number of fine ranches, upon which are produced good crops of hay, grain, vegetables, and some fruit of hardy varieties. Mr. T. G. Herman is one of the most progressive farmers of the neighborhood. He is devoting considerable attention to the rearing of improved live-stock.

At Lovelock's, 63 miles farther east, is a large district of fine farming lands. On arriving at the depot the stranger sees little to back up the assertion, but a drive of a few miles southwest, beyond the sagebrush plain, or rather desert, as he might be constrained to call it, brings him within the borders of what is known as the Humboldt Meadows. Here he will be struck with mingled surprise and admiration to behold the almost countless acres of alfalfa stretching beyond him. There is no finer soil in America, and the depth in many places is over 40 feet. The extent of this tract averages 10 miles in width by 35 in length, a considerable proportion of which is claimed by citizens, but can be purchased at from \$10 to \$100 per acre. The area is sufficient to give over 1,000 families a good-sized farm. The number of individual owners at present does not exceed 150. While small grain of all varieties yields bountifully, the alfalfa crop is accounted by all odds the most profitable, on account of the large stock interests of Central Nevada, and the extortionate freight rates exacted by the C. P. R. R. Co. in shipping to the seaboard.

At the average price (\$6 per ton) alfalfa will net the cultivator 10 per cent. interest on his land rated at \$200 per acre. The price is said to be often above that figure than below. The writer was authentically informed that Mr. Thies, present County Commissioner, produced 1,000 tons last year from 160 acres, and, by holding for a late market, realized from his crop \$12 per ton. This year, by reason of an unprecedented scarcity of water in the Humboldt river, the crops of a majority of the farmers are below the average, and accordingly the prices of hay, it is predicted, will be much higher than formerly. Those who are so fortunate as to have secured a prior water right, and consequently a sufficient supply of water, have as fine crops as usual. Among this fortunate class are the Marker Bros., who have a tract of 12,400 acres, 2,500 of which is set in alfalfa. They expect to sell this year 2,000 tons, besides retaining a large per cent. for their own use, having 2,000 head of horses and 3,000 head of cattle. They fatten a large number of calves for the market each winter. The meadows are settling up with a thrifty class of people, and when once the scheme of storing in reservoirs the water that annually goes to waste during winter assumes practical shape, the reclamation of this portion of Humboldt valley will be almost immediate, and present to the world one of the most desirable localities in which to dwell that may be found on the coast.

Winnemucca, the county-seat of Humboldt county, 75 miles east of Lovelock's, is a distributing center for a large district. Its population is estimated at 1,200 souls. The business of the town is sustained almost wholly by the stock-raising and mining industries. The town has rather an ancient appearance, and the stranger is apt to conclude that there is far less wealth and solidity about it than is the case. He will find here residing men who count their herds by thousands and tens of thousands, with ranges extending for hundreds of miles in all directions. Others he will find, who, having secured a desirable competence from mining ventures, are enjoying a well-earned respite from active pursuits. To one or the other of these classes belong Messrs. F. D. Sweetzer, W. R. Lewis, A. Wise and a score or so more.

There is a very limited amount of farming in the vicinity of the town, though the soil produces well. The water problem is here, as in many other places in Nevada, the burning issue of the hour. This year there is even a scarcity for the actual needs of the residents of the town. However, this defect will be soon overcome, and with the renewed activity soon to be inaugurated by the Winnemucca Mining Company, the prospects of the town are at least fair, if not flattering. F. B. L.

THE STATE FAIR.

Some of the Plans of the Agricultural Society.

A representative of the Carson Appeal visited Reno last Thursday and went to the State Fair grounds, and says:

The grounds are on exactly the opposite side of the city from the old ones, and about half as far. They occupy an almost perfectly level piece of land 80 acres in extent, and the site possesses many advantages over the old location. There was also a great deal of dust at the old grounds from the wind which came from the southeast, but now the grounds being northeast of the city, the wind blows over a tract of country thickly set in trees, and last of all over 80 acres of alfalfa, from which no dust can be gathered.

THE RACE TRACK.

A fine mile track has been laid, and it will prove a particularly fast one, having been copied after the latest improved tracks of the East. The track is a dead level from the grand stand to the second quarter pole, when it begins to rise slightly, but so slightly as to be almost unnoticeable along the back stretch, until the turn is rounded, when the highest point is reached, and the tired horses after rounding the turn, find themselves on a gentle down grade to the finish. This arrangement gives the horse a slight assistance at the finish, when he needs his best powers, and all horsemen are delighted with it. It did not require much outlay to fix the track in this way, as the natural lay of the ground favored it.

THE OREGON PLAN.

It has been decided to fix the interior of the track according to the Oregon plan. It will be seeded down to blue grass, timothy and red top, and then cut just before the fair, leaving a velvet oval lawn enclosed by the track, and in this park, people visiting the fair can pitch their tents, camp, and feed their horses. This plan was first tried in Oregon, and resulted in doubling the attendance at the fair. It saves the farmers a great deal of expense in the shape of hotel bills and gives general satisfaction.

THE HORSE STALLS.

Running north along the track are the box stalls for the racers. Sixty-three stalls are provided for fast stock, and at right angles on the right of the entrance are sixty-three more for thoroughbred horses on exhibition. Parallel with the last line of horse stalls is a building with forty stalls on each side for thoroughbred cattle, and a separate building with twenty stalls for swine and sheep. A clear stream of water sweeps round the last, and running about 80 inches. The old plan of watering cattle in mud holes, which was such a nuisance at the old grounds, will be done away with, and suitable troughs provided supplied by hydrants. At the end of the two lines of stalls, and close to the stream, a platform will be provided, where stock can stand while being washed, a convenience which all stock owners will appreciate. Last year there was much complaint because alfalfa hay sold at \$20 a ton, but this year the Society proposes to have its own hay and have it sold on the grounds at the regular rates in Reno.

THE GRAND STAND.

Is 150 feet long and faces to the east. It will accommodate 1,000 people, and the benches are provided with "lazy backs" 24 inches high. The Judges' Stand is in the center of the Grand Stand and open so that the crowd can hear the announcements as soon as made. The Judges can from this point watch the entire race without turning round to follow the horses with the eye, as when a stand is on the inside of the track. The platform of the Grand Stand is four feet wider than the old one, and is supplied with water from hydrants. Each quarter of the ground is supplied with water from hydrants, and there are two tanks of 3,000 gallons each on the track for the watering carts.

ENTRIES.

The entries for the races are nearly all filled, and the thoroughbred cattle entries are much larger than last year, so that additional stall room will be necessary. Parties purchasing tickets for the passenger train will be supplied with coupons taking them to and from the grounds for 12 1/2 cents each way, instead of 25 and 50 cents as formerly. Every effort is being made by the Directors to have a magnificent fair this Fall.

BAYARD ROUTS SAULSBURY.—Senator Saulsbury was in the Senate the other day fresh from his defeat in Delaware. Everybody was surprised to learn that in a preliminary struggle the Bayard faction had won the Saulsburies, and that the balance which has so long been held between the two factions was unsettled. It had been supposed that Secretary Bayard was having all he could do to keep afloat, and that if he goes out of the Cabinet next March either Gray would have to resign and make room for him in the Senate, or else Bayard must become a private citizen. But, with the Administration back of him, the Secretary went to Delaware and routed the Saulsbury cohorts so completely that Bayard can himself succeed the senior Senator and leave Gray undisturbed. At least the reports so far received make this out to be the case.

BREVITIES

Read the 50 cent column for various notices.

Deputy Collector Dunne returned to Virginia Sunday.

The State Board of Examiners will meet to-day at Carson.

The Eastern train Sunday was delayed several hours by reason of the forest fires near Cisco.

No. 15 won the money in the roulette investment at the Merchants' Exchange saloon last Saturday evening.

The Democrats think they can beat some of the Republican nominees, but if they do they will have to get up very early in the morning.

Geo. W. Cassidy was in town Sunday. He will open the Democratic campaign at Wells, on the 10th, and work west. His programme calls for forty-one speeches.

Under Sheriff Nofsinger, of Humboldt, was in Reno Sunday, on his way to Winnemucca from Susanville with Rafael Felix, who recently stole a band of horses out in Humboldt county.

The Journal is under obligations to Secretary Smith, of the California State Agricultural Society, and to R. L. Davis, of the Susanville Fair Association, for complimentary tickets.

The Pioche Record notes the recent birth of twins to Mrs. Lorenzo Heaps, a resident of that town, whose aggregate weight was 10 1/2 pounds—a boy and a girl—the latter weighing 10 1/4 pounds.

A SENSATION.

Judge Terry and Sarah Althea on the Warpath.

Judge Terry and Sarah Althea created a sensation in San Francisco yesterday by announcing Judge Field of having been brought to render his decision sustaining Judge Sawyer's previous decision declaring the Sharon contract a forgery. Mrs. Terry was ordered removed from the room but her husband knocked the Marshal down, and drew a large bowie knife. The two were placed in a cell, and later the Judge sentenced Mr. Terry to six months' imprisonment and Sarah Althea to thirty days, both in the Alameda county jail. In Mrs. Terry's satchel, which she had dropped in the courtroom, was found a revolver with all six chambers loaded, and it is believed by the Marshal and others that she intended to shoot Judge Field, as she was trying to open the satchel when she was taken from the room.

A FORMER NEVADAN.—The San Francisco Examiner, in one of its late issues, said:

A tall and dignified gentleman, straight as an arrow, and with the air of a Kentucky Senator, put the name of "John R. Kittrell" on the Palace register yesterday. This was Colonel J. R. Kittrell, formerly Attorney-General of Nevada, but now, and for many years to come probably, District Attorney of Stanislaus county. Colonel Kittrell has got a little grayer in beard since the days when he awoke the Washoe echoes with Democratic eloquence, but he stands as erect and defiant and his manner is as courtly as in the long ago. The Colonel is reticent on political matters, for he himself is a candidate for reelection, though without opposition, but he was seen later in the day in close confab with John C. Maynard and Chairman English, whom it is probable that before the hour frosts come the foothills of Stanislaus may yet echo and reverberate.

EXTENSION.—The Esmeralda News says: "It is now almost a certainty that the Carson & Colorado railroad will be extended to Mojave. A party of surveyors under the supervision of Assistant Superintendent Laws, will commence the work of surveying the line for the intended extension on the 10th inst., and it is expected that they will complete the work in about two months. It is understood, from reliable authority, that the construction work will be in process by December 1st, and the road finished about January, 1889."

HANDSOME PRESENT.—The Carson Tribune says Warden Frank McCutlough has forwarded to Senator Wm. M. Stewart a cane manufactured by the inmates of the State Prison. It is made of 5,074 pieces of wood representing nearly every country on the face of the globe, while the head, or crook, is made of solid silver inlaid with abalone shells. It is enclosed in a case manufactured of mahogany. It is sent as a testimonial from the officers and employees of the Nevada State Prison to Senator Stewart for his efforts in Nevada's behalf.

HEAVY SHOWERS.—The railroad men say heavy showers fell up the river above Battle Mountain night before last, and Joe Miller, who came up from Pleasant Valley, says the roads in Grass Valley were washed out by freshets from the mountains. Here there were what might be called indications, but no rain. So says the Silver State, of Saturday last.

REPUBLICANS.

The Candidates and Platform of the Washoe County Republicans.

The Republican County Convention convened in Armory hall yesterday morning at 10 o'clock, and was called to order by Hon. J. F. Alexander, Chairman of the County Central Committee.

On motion Col. R. H. Lindsay was unanimously chosen as Temporary Chairman.

For the office of Temporary Secretary Messrs. N. S. Hammersmith, W. L. Bechtel and W. A. Fogg were nominated. Three ballots were taken before a choice was made, W. L. Bechtel finally being elected by the following vote: Bechtel, 41; Hammersmith, 33; Fogg, 3.

For the office of Assistant Secretary N. S. Hammersmith and N. A. Fogg were placed in nomination, and the latter was successful by the following vote: Fogg, 42; Hammersmith, 34. For Sergeant-at-Arms J. V. Peers was the unanimous choice of the Convention.

On motion of H. H. Beck the Chair appointed the following Committee on Credentials: H. H. Beck, J. E. Southeraux, Orville Sossion, J. H. Whitel and F. Pantlind.

On motion of C. C. Powning the Chair was empowered to appoint a Committee of seven on Platform and Resolutions. The Chair thereupon appointed Messrs. C. C. Powning, Sol. Levy, William Thompson, H. M. Frost, William Donaldson, C. O. Porter and James Sutcliffe as such committee.

On motion of H. P. Kraus the Chair appointed the following Committee on Order of Business and Permanent Organization: Messrs. H. P. Kraus, Doctor J. A. Lewis, Thomas Pickley, Henry Stephens and Edwin Fowler.

On motion a recess was declared until 1 o'clock p. m.

RE-ASSEMBLED.

At 1 o'clock p. m. the Convention was called to order.

REPORTS OF COMMITTEES.

H. H. Beck, Chairman of the Committee on Credentials, submitted the following report, which was read and adopted.

COMMITTEE ON PERMANENT ORGANIZATION.

The Committee on Permanent Organization and Order of Business submitted the following report, which was read and adopted:

We, your Committee on Permanent Organization and Order of Business, beg leave to report as follows:

We recommend that the temporary officers be retained as permanent officers of this Convention, and that the Order of Business shall be as follows:

1. One Senator.
2. Three Assemblymen.
3. One Sheriff.
4. One County Clerk.
5. One District Attorney.
6. One Treasurer.
7. One Recorder.
8. One Commissioner (long term).
9. One Commissioner (short term).
10. One Public Administrator.
11. The County Central Committee.

H. P. Kraus, Chairman.

Mr. Thompson suggested that the report of the committee be amended by adding to the Order of Business the nomination of a County Assessor.

On motion of S. J. Hodgkinson the suggestion was adopted and ordered added to the Order of Business.

COMMITTEE ON PLATFORM, ETC.

The Committee on Platform and Resolutions reported as follows:

Reno, Sept. 3, 1888.

To the Chairman and Members of the Washoe County Republican Convention: Your Committee on Platform and Resolutions beg leave to report the following:

The Republicans of Washoe, proud of the past and hopeful for the future, heartily endorse the platform and nominees of the National Republican Convention, as adopted at Chicago, and the Republican State Convention at Winnemucca, and pledges a rousing majority for Harrison and

Morton and Protection, and Murphy and Bartine and the ticket nominated by this Convention. We demand legislation from both Government and State in regard to irrigation, and for the improvement of our natural waterways, as well as for the storage of water, whereby the natural advantages of this section can be improved to their fullest capacity. We demand the most rigid economy in State and county affairs, and the establishment of the State's expenses upon such a basis as will secure good government at the lowest rate of taxation. We maintain that a rate of seventy-five cents should be and is sufficient to provide revenue for the State Government.

In view of the rejection of the new Chinese treaty by the Mongolian Government, we demand the total and absolute exclusion of all Chinese, and they must go.

THE NOMINATIONS.

The reports having been read and adopted, the nominations for office were in order. Hon. J. F. Alexander in an eloquent speech placed in nomination the name of J. F. Emmitt for State Senator.

William Thompson seconded the nomination in a brief but forcible manner. He said that the Republican party were now as one, and predicted that the party would make a clean sweep. All personal feelings should give away, and every Republican vote the straight ticket.

On motion of Hon. J. F. Alexander the nomination of J. F. Emmitt was made unanimous.

On motion of G. W. Jones it was ordered that each candidate as he was placed in nomination, pay in the sum of \$5, the proceeds to go towards defraying the expenses of the Convention.

FOR THE ASSEMBLY.

A. H. Barnes nominated C. W. Borton.

Edwin Fowler nominated T. G. Herman.

General Evans nominated H. H. Beck.

W. H. McInnis nominated Wm. Thompson.

S. W. Hamlin nominated J. R. Foulkes of Verdi.

J. F. Alexander nominated D. W. O'Connor.

S. J. Hodgkinson nominated C. M. Fassett.

C. C. Powning nominated Mike Holland of Reno.

Mr. Holland withdrew in favor of William Thompson.

Mr. O'Connor declined the nomination.

On motion of J. F. Alexander the Chair appointed Seymour Bryant, H. P. Kraus and Dr. J. A. Lewis as tellers.

Messrs. Borton, Herman, Beck, Thompson, Foulkes and Fassett, the legislative nominees, were called upon to endorse the platform, which all did in brief but decisive addresses.

Balloting was then had, with the following result: Borton 13, Herman 66, Powning 1, Beck 64, Thompson 75, Fassett 33, Foulkes 32, O'Connor 1.

The Chair thereupon declared Messrs. Thompson, Beck and Herman the legislative nominees of the Convention.

FOR SHERIFF.

Dr. J. A. Lewis placed in nomination the name of W. M. Havenor for Sheriff.

H. H. Beck nominated John Fraser. Both gentlemen endorsed the platform and principles of the party, and promised to support the ticket whether they were nominated or not.

Balloting was then had, with the following result: Havenor, 45; Fraser, 50; blank, 1.

Mr. Fraser was thereupon declared the nominee for Sheriff.

COUNTY CLERK.

Seymour Bryant placed in nomination the name of T. V. Julien for the office of County Clerk.

There being no other candidate for the position Mr. Julien was, on motion, declared the nominee of the Convention by acclamation.

FOR DISTRICT ATTORNEY.

William Caughlin nominated Pierce Evans for the office of District Attorney.

C. M. Fassett placed in nomination the name of David Allen.

J. F. Alexander seconded the nomination of Pierce Evans.

Balloting resulted as follows: Evans, 45; Allen, 51.

Mr. Allen was thereupon declared the nominee of the Convention for District Attorney.

FOR TREASURER.

William Thompson nominated "the old stand by," D. B. Boyd. A. H. Barnes seconded the nomination.

There being no objection the nominations were closed, and on motion of J. F. Alexander Mr. Boyd was declared the nominee of the Convention by acclamation.

FOR COMMISSIONER (LONG TERM).

H. H. Beck nominated M. E. Ward for the office of Long Term Commissioner.

J. F. Alexander placed in nomination the present incumbent, T. K. Hymers, whom he styled "a young American from Delhi, Delaware county, New York." There was a ballot taken which resulted as follows: Hymers, 56; Ward, 39.

The Chair declared Mr. Hymers the nominee of the Convention.

FOR COMMISSIONER (SHORT TERM).

Edwin Fowler of Wadsworth placed in nomination for Short Term Commissioner the name of William C. Taylor of Wadsworth.

Dr. A. Dawson placed in nomination the present incumbent, William Merrill of Verdi.

William Thompson nominated Henry Stevens of Glendale. Mr. Stevens declined.

Balloting resulted as follows: Merrill, 51; Taylor, 41.

Mr. Merrill was thereupon declared the nominee of the Convention for Short Term Commissioner.

FOR PUBLIC ADMINISTRATOR.

C. C. Powning placed in nomination J. V. Peers for the office of Public Administrator.

On motion of J. F. Alexander Mr. Peers was declared the nominee of the Convention by acclamation.

THE COUNTY CENTRAL COMMITTEE.
On motion of H. H. Beck the Chair was authorized to appoint a County Central Committee, to consist of nine members.

The Chair thereupon called upon the various delegations to suggest names, which was done, and apportioned representatives from the various precincts as follows: Reno, J. F. Alexander, S. J. Hodgkinson, D. W. O'Connor and N. W. Roff; Wadsworth, Edwin Fowler and William Macpherson; Verdi and Glendale, S. A. Hamlin; Browns and Washoe, A. P. Marker; Pyramid and Salt Lake, M. J. Whelan.

After disposing of the funds derived from candidates by paying bills, etc., the Convention adjourned with three rousing cheers for Harrison and Morton and the State and County tickets.

The Assessorship.

When the time came for nominating an Assessor in accordance with the amendment of Mr. Thompson to the report of the Committee on Permanent Organization and Order of Business, that gentlemen moved that the County Central Committee, to be appointed, be vested with authority to select a candidate for that most responsible office. So ordered.

The Ticket.

The following is the ticket selected: For State Senator, J. F. Emmitt of Reno.

For Assemblymen, William Thompson and H. H. Beck of Reno, and T. G. Herman of Wadsworth.

For Sheriff, John Fraser of Reno.

For County Clerk, T. V. Julien of Reno.

For District Attorney, David Allen of Reno.

For Treasurer, D. B. Boyd of Reno.

For Recorder, C. O. Porter of Washoe.

For Long Term Commissioner, T. K. Hymers of Reno.

For Short Term Commissioner, William Merrill of Verdi.

For Public Administrator, J. V. Peers of Reno.

Township Officers.

The Reno delegation convened at 8 p. m. last evening. W. H. Young, C. A. Bragg, L. L. Crockett, C. W. Jones and John Bowman were placed in nomination for Justice of the Peace. On the third ballot Judge Young was renominated.

S. W. Upson and John Douglas were nominated for Constable. Upson was the winner by a vote of 35 to 21.

W. H. Gould was nominated for School Trustee, long term, and Dr. John A. Lewis for short term.

Ladies.

In delicate health, and all who suffer from habit: constipation, will find the pleasant California liquid fruit remedy, Syrup of Figs, more easily taken and more beneficial in effect than any other remedy. It acts promptly yet gently on the Bowels, Kidneys, Liver and Stomach, and does not sicken or debilitate. Sold by Wm. Pinniger, Reno.

A WARNING.

The modes of death's approach are various, and statistics show conclusively that more persons die from diseases of the Throat and Lungs than any other. It is probable that everyone, without exception, receives vast numbers of Tubercle Germs into the system and where these germs fall upon suitable soil they start into life and develop, at first slowly and is shown by a slight tickling sensation in the throat and if allowed to continue their ravages they extend to the lungs producing Consumption and to the head, causing Catarrh. Now all this is dangerous and if allowed to proceed will in time cause death. At the onset you must act with promptness; allowing a cold to go without attention is dangerous and may lose you your life. As soon as you feel that something is wrong with your Throat, Lungs or Gorms, obtain a bottle of Boech's German Syrup. It will give you immediate relief.

ADVICE TO MOTHERS.

Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of cutting teeth? If so, send at once and get a bottle of Mrs. Winslow's Soothing Syrup for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers, there is no mistake about it. It cures dysentery and diarrhoea, regulates the stomach and bowels, cures wind colic, softens the gums, reduces inflammation, and gives tone and energy to the whole system. Mrs. Winslow's Soothing Syrup for Children Teething is pleasant to the taste, and is the prescription of one of the oldest and best female nurses and physicians in the United States, and is for sale by all druggists throughout the world. Price 25 cts a bottle. Feb. 21-aw f-t-v

I suffered with catarrh for many years and got so deaf that I went about my Museums, Circus and Theatre giving directions and doing business with a big ear-trumpet at the side of my head. It was very annoying to me and amusing to those who saw me. By the advice of physicians I sought the climate of the Sunny South. In six months I could see no change and was discouraged. At this time I began using Chalmers' English Catarrh Cure. In three months I felt a new man, in six months my hearing returned. I refused to give a testimonial at once for the English Catarrh Cure, as I feared it was not permanent. But a year and more has now passed, and I can now heartily indorse Chalmers' English Catarrh Cure for the cure of catarrh and deafness.

250 Beautiful Lots For Sale!

A RARE CHANCE FOR INVESTMENT AND A HOME

THE MOST LOVELY PORTION OF RENO.

Facing the Truckee—The Aristocratic Riverside Avenue Driveway—Splendid Sewerage—Healthy Location and Safe From Fire.

The proprietor is now ready to receive proposals for lots in Powning's Addition. The map gives a good idea of the Tract, which is situated between the Central Pacific Railroad and the Truckee River, and commences on the west at a point three blocks distant from Virginia Street, making it the most central and convenient of any portion of the rapidly growing town of Reno. Unlike any other part of the town this Addition faces the beautiful Truckee River and Riverside Avenue is certain to become the fashionable driveway of the country. The streets are 80 feet wide, while Riverside and Keystone Avenues are intended to be 100 feet in width. All alleys are 20 feet wide. The soil is a rich gravelly loam, and susceptible of the highest state of cultivation. Being situated as it is it is more safe from fire than any other section. The regular lots are 50x140 feet. The sewerage is perfect.

Before Buying Elsewhere Parties will do Well to Look at These Lots.

SUMMONS.

IN THE DISTRICT COURT OF THE STATE OF NEVADA, in and for the county of Washoe.

The State of Nevada sends to Paul Willott, Clerk of said Court, to summon the following named parties to appear before him on the 27th day of July, 1888, at 10 o'clock A. M., to answer the complaint filed in this Court on the 27th day of July, 1888, and to show cause why they should not be held responsible for the same.

The parties are: MARY ELIZABETH WILLIOTT, as plaintiff, and the County of Washoe, Nevada, as defendant.

Witness my hand and the seal of said Court, this 27th day of July, 1888.

J. K. HAYDON, Clerk of said Court.
